

RIDER DJ

- Good lighting and excellent sound installation, consisting of the following material:
 - 3 Pioneer CDJ-1000 MK3 CD players
 - PIONEER DJM800 mixer (or better)
 - 2 high power monitor sound speakers pointing towards the DJ, equipped with volume adjustment controls and preferably powered separately. If there is only one active monitor present, it has to be on the right side of the DJ.
- A DJ table not higher then 1.00 meter
- A elevation behind the DJ booth for the DJ bags
- Sufficient drinks at the DJ booth (2 bottles of still water and 2 red bull)
- Guest list through Essential Artists (min. 5 persons)

Technical rider

When the required conditions mentioned above are not provided, please contact Essential Artists BV as soon as possible, because there's a possibility that the show will be cancelled.

Possible limitations involving the P.A. or the level of sound need to be reported to Essential Artists BV two weeks prior to the event.

RIDER MC

- Shure wireless microphone (multiple types possible, SM58 preferably)
- 1 or more high power monitor speakers, equipped with volume adjustment controls and preferably powered separately. (Separately from the DJ monitors)
- Sufficient drinks (2 bottles of water and 2 RedBull)
- 1 Towel
- Guest list through Essential Artists (min. 5 persons)

When the required equipment is not provided, please contact Essential Artists as soon as possible, because there's a possibility that the show will be cancelled.

Possible limitations involving the P.A. or the level of sound need to be reported to Essential Artists two weeks prior to the event.
